ACTUALLY CURES CATARRH.

J. W. McCollum & Co's Faith in Hyomei is so Strong They Seil it Under Guarantee

It is one thing to claim, another thing to back up the claim by a statement that if it is not proven true, there will be no charge for the service or the goods.

It is in this way that J W. McCollum & Co. sell Hyomei, for they have so much faith in the powers to cure all forms of estarrh and bronchial troubles, that they give an absolute, or qualified guarantee with every outfit that if the remedy does not cure, the money will be refunded.

Hyomei is based on nature's way of curing catarrh. It contains the concentrated healing oils and gums of the pine woods, prepared in such form that they can be brought into your own home. It gives the health advantages of the Adirondacks in such form that you can be cured of catarrh and affections of the nose, throat and lungs while at work or a: home.

A complete Hyomei outfit costs but be obtained for 50c.
